2. You may submit more than one name for an award. Please send me your list of nominations on or before 10 May 1974. This Office will then compile a list of all nominations submitted and forward it to the Director for final decision. Actions will be based on your submissions at this time and the Director's approval of nominations. If any of your nominees are approved, your assistance in developing the nominating documents will be requested when the appropriate announcement is received.

3. While we would not ask the Director to endorse a candidate who is not fully qualified and deserving of these awards, I do urge you to screen your employees carefully so that no qualified nominee is overlooked. Recipients of Honor and Merit Awards may also qualify for public recognition.

4. If you require any further information or assistance in identifying eligible nominees, please contact me.
